

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE

UNITED STATES OF AMERICA, )  
Plaintiff, ) CASE NO. CR19-203-RSM  
v. )  
ANGELA DAVINA ENCINAS, ) ORDER MODIFYING CONDITIONS  
Defendant. ) OF RELEASE

Defendant Angela Davina Encinas moves to modify the conditions of her appearance bond to terminate location monitoring. (Dkt. 260). The government opposes the removal of location monitoring, but does not oppose deleting the curfew component of location monitoring. The motion was referred to the undersigned for decision by Judge Martinez.

Defendant was released by this Court on an appearance bond on October 28, 2019 (Dkt. 116) The conditions included location monitoring with a curfew. She asks to be taken off location monitoring, citing her full compliance with all conditions of supervision. Pretrial Services agrees.

The corona virus pandemic and resultant limitations on person to person contact due to

01 the risk of contagion creates special challenges for community supervision. The Court is not  
02 convinced of the appropriateness of completely removing the location monitoring condition in  
03 this case. However, given the government's lack of opposition to lessening the monitoring  
04 conditions, the Court agrees the curfew requirement may be removed. Defendant will remain  
05 on stand-alone location monitoring. All other conditions of the appearance bond remain in  
06 effect.

07 Defendant's Motion to Modify Conditions of Release is GRANTED in part.

08 DATED this 24th day of April, 2020.
